Updating MAML with Module 50 for Certifying Staff

This information is intended for technical personnel who have received an MAA-NOR MAML without Module 50 (Principles of Armament) on Extensions and have been authorized as Certifying Staff.

EMAR Module 50 is a requirement to be authorized as Certifying Staff. As a derogation, MAA-NOR may approve and issue a MAML with National privileges¹ valid for up to one year until the module 50 course is completed.

See [MAIB-NOR 24/02 27 JUN - MAA-NOR clarification of basic training - Modules 50 - 55 \(Revised\)](#) for more information.

MAA-NOR recommends that the responsible EMAR 145 organization implements a plan to ensure that the affected Certifying Staff complete the Module 50 course.

After successful completion of the Module 50 course, MAA-NOR will update the MAML after receiving an [MAA-NOR Form 19](#) application from the MAML holder.

For further inquiries, please contact maml.maa-nor@mil.no.
